[instrumental guitar]

Driving away from the wreck of the day
And the lights always red in the rearview.

Desperately close to a coffin of hope
I'd cheat destiny just to be near you.

If this, is giving up
Then i'm giving up
If this, is giving up
Then i'm
Giving up
Giving up

On love.....
On love.....

Driving away from the wreck of the day
And i'm thinking about calling on jesus
Cause love doesn't hurt
So i know i'm not falling in love
I'm just falling to pieces

If this, is giving up
Then i'm giving up
If this, is giving up
Then i'm
Giving up
Giving up

On love.....
On love.....

[instrumental guitar]

Maybe i'm not up for being a victim
Of love.....

All my resistance will never be distance enough.....

Driving away from the wreck of the day

And it's finally quiet in my head

Driving alone
Finally on my way home
To the comfort of my bed

If this, is giving up
Then i'm giving up
If this, is giving up
Then i'm
Giving up
Giving up

On love.....
On love.....
