Here I am, crying out to You
'Cause I need You, I need You
Here I am, humbly before You
Who gave Yourself up for me

All of me is needing all of You
So I lay down my pride, take over my life
All of You can cover all of me
Till there is no me left and all that I need is You

Here I am, crying out to You
'Cause I need You, I need You
Here I am, humbly before You
Who gave Yourself up for me

All of me is needing all of You
So I lay down my pride, take over my life
All of You can cover all of me
Till there is no me left and all that I need is You

I will not hold back anymore
More than a savior
You are my Lord

I will not hold back anymore
More than a savior
You are my Lord

All of me is needing all of You
So I lay down my pride, take over my life
All of You can cover all of me
Till there is no me left and all that I need is You

All of me is needing all of You
So I lay down my pride, take over my life
All of You can cover all of me
Till there is no me left and all that I need is You
All that I need is You

I will not hold back
More than a savior
You are my Lord
