Sovereign King of Heaven, You are hope
Hope for every lost and weary soul
Jesus, our salvation
You are God and God alone

We'll tell the world of You
We'll tell the world of You
Your infinite grace, Your furious love
We'll tell the world of You

We'll tell the world of You
We'll tell the world of You
Your infinite grace, Your furious love
We'll tell the world

Holy Savior, awesome and untamed
History maker, You remain the same
Who are we that You would give Your life
And bear our shame

We'll tell the world of You
We'll tell the world of You
Your infinite grace, Your furious love
We'll tell the world of You

We'll tell the world of You
We'll tell the world of You
Your infinite grace, Your furious love
We'll tell the world

We will not be silent
We will not be silent
We cannot be silent
We cannot be silent anymore

We'll tell the world of You
We'll tell the world of You
Your infinite grace, Your furious love
We'll tell the world of You

We'll tell the world of You
We'll tell the world of You

Your infinite grace, Your furious love
We'll tell the world

And we'll tell the world of You
We'll tell the world of You
We'll tell the world
