Butter sweet snap or chocolate pack
is very nice when it is going down.
But if you've got the time we don't need a dime
we saved our money for a house in town.

I'm talking 'bout love
- love - love - love
all you'll ever get from me.
I'm talking 'bout love
- love - love - love
all you'll ever get from me.

Cadillac car or blueberry jar
it doesn't matter what your fancy is
'cause when you're all alone and nobody's home
there's only one thing that you really miss:

I'm talking 'bout love
- love - love - love
all you'll ever get from me.
I'm talking 'bout love
- love - love - love
all you'll ever get from me.
