With the sound of the ocean crashing,
7:30 Friday evening,
Everything comes tumbling down
I choke back each tear that bleeds,
I'd rather rest forever in your arms
I'd rather stay here, than go,
But I know that I should leave
As I sit here helpless
(Don't go) You said you wouldn't, You said you wouldn't
(Don't go) You said you wouldn't, You said you couldn't
(Don't go) You said you wouldn't, You said you wouldn't
(Don't go) You said you wouldn't, You said you couldn't
I think of our time together,
Is it faded, or am I dreaming?
Everything you said lives on
I cherish our memory
I wanna kiss your tears away tonight
It's hard to give up the one you never thought you'd
leave
Don't go
Don't go

Your eyes see through my soul

Don't go

Don't go

You say, as I walk out your door

With the sound of the ocean crashing,

7:30 Friday evening,

Everything comes tumbling down
