Dad, your boy is about to fall.

He walks the razor's edge.

He's on the brink of fading out.

He's at his bitter end.

Dad, your boy who used to run, you taught him how to
crawl.

He left home to find his own, now all he had is gone.

(chorus 2x)

In your eyes I see a darkness that torments you

and in your head where it dwells.

I'd give you my hand if you'd reach out and grab it,

Lets walk away from this hell.

Mom, your baby is on his way.

He'll soon be at your side.

Cause he's forgotten all he's known.

A part of him has died.

Mom may never understand why baby's come and
gone.

He left home to find his own, now all he has are lies.

(chorus 2x)

In your eyes.

In your eyes.

In your eyes.

In your eyes.

(chorus 2x
