It's almost laughable how life tends to spit us out
after beating us down like it did before.
It's almost laughable how it rains and it pours again
as we stand here soaking it all in.
Well if this is how life is, I won't back down from it
anymore.

Don't hang me out to dry. I'm not all right, but I'm not
stopping now.
Don't turn the music down. It's not all right, but you
can't stop me now.
And this is how life is.

It's kinda' laughable how life tends to spit us out
after beating us down like it did before.
It's finally laughable how it rains and it pours again.
I'll just stand here soaking it all in.
Well if this is how life is, I won't back down from it
anymore.

Don't hang me out to dry. I'm not all right, but I'm not
stopping now.
Don't turn the music down. It's not all right, but you
can't stop me now.
And this is how life is.

No one's break me down if I can get away with it.
No one's gonna' count me out if I can have my way with
this.
No one's gonna' tell me how I should be afraid of this,
afraid of this.

So, don't hang me out to dry. I'm not all right, but I'm
not stopping now.
Don't turn the music down. It's not all right, but you
can't stop me now.
Don't hang me out to dry. I'm not all right, but I'm not
stopping now.
Don't turn the music down. It's not all right, but you
can't stop me now.
And this is how life is.
