[Alioth:]

This is the end of the story
This is the end of a world
Lives arrived to the end
This is the beginning of a reign

Shadows of war from a place in the sky
Spirits of death unknown
All I see is the grievous aftermath
Shadows of war, spirits of death
Bizarre creatures born to hurt
Unholy beasts, began to fight
Only the strongest ones survived

Shadows of war, spirits of death
Bizarre creatures born to hurt
Unholy beasts, began to fight
Only the strongest ones survived
