At the water's edge  
That's where I make my bed  
No TV radiation  
To fill up my head

My eyes are blue like you  
Our babies will be born blue  
I wait all day it's torture  
He's got something to say that's for sure

He looks alright outside  
But he feels so bad inside  
He looks so good on the outside  
But he feels so bad inside

At the water's edge  
That's where I lay my head  
With rocks in your pockets  
You float on your back  
You're drowning in your bed

I watch the birds and bunnies  
You look so small and lonely  
I live on sugar and honey  
This is the sound of no money

He looks alright outside  
But he feels so bad inside  
He looks so good on the outside  
But he feels so bad inside

He looks alright outside  
But he feels so bad inside

He looks alright outside  
But he feels so bad inside  
He looks so good on the outside  
But he feels so bad inside

Daniel

He looks alright outside  
But he feels so bad inside

Daniel

He looks so good on the outside  
But he feels so bad inside
