Love me love, but just don't touch.
I don't like to be touched.
You might think we all need that stuff.
But I don't think about it much.
And when I do, I have to leave the room.
I'm scared of what I might do.

I got no idols. I got no idols. I got no idols. I got no idols.
I got no idols. I got no idols. I got no idols. I got no idols

I'm a goddess in your eyes, and I will never die.
I was born of people's needs, and what they don't
wanna believe.
But I am a liar, that's the truth, go home and think it
through.
That's the harm in mystery, all you know is what you
see.

I got no idols. I got no idols. I got no idols. I got no idols.
