I showed you how to touch a star
I helped you forget who you are
Baby, you can drive my car
Over to the right side of the tracks

You pushed your greatest chance away
But still I really want to say

I forgive you
I forgive you
I forgive you
I forgive you

I knew your feelings were a lie
But I wanted to go to the dark side
I needed something to write about
Like how it feels to live without

And if you won't apologize
If you can't look me in the eye

I forgive you ...
