Wasted ruined tragic 'cause it doesn't have to be like
this

Pasty dirty sweaty faithless, greasy dirty smelly
wretched

Make it be a whore a tabloid cliché,
Nasty spoiled deceptive wrecked
Mousey grungy deceptive wrecked

What a life, you wear it like propriety.
What a life, you do it like you really mean it.
What a life, I watch it like a scary movie.
What a life, what a life, what a life.

STD's sick sex drug-addled debauchery monger
Messy stringy pathetic hopeless, dreggy stringy
pathetic hopeless

What a life, you wear it like propriety.
What a life, you do it like you really mean it.
What a life, I watch it like a scary movie.
What a life, what a life, what a life.

Wear it like a badge, wear it like a crown, wear it like a
trophy.
Wear it like a badge, wear it like a crown, wear it like a
trophy.
Wear it like a badge, wear it like a crown, open like a
cut.
Pick it like a scab, feed it like a dog.

What a life, you wear it like propriety.
What a life, you do it like you really mean it.
What a life, I watch it like a scary movie.
What a life, what a life, what a life.

Wasted ruined tragic 'cause it doesn't have to be like
this
Greasy dirty sweaty smelly
Faithless grungy pathetic wretched

What a life, you wear it like propriety.

What a life, you do it like you really mean it.
What a life, I watch it like a scary movie.
What a life, what a life, what a life.
