It won't be easy  
you'll think it strange  
When I try to explain how I feel

That I still need your love afterall that I've done:  
You won't believe me  
All you will see is a girl you once knew  
Although she's dressed up to the nines  
At sixes and sevens with you.

I had to let it happen  
I had to change;  
Couldn't stay all my life down at heel:  
Looking out of the window  
staying out of the sun  
So I choose freedom  
Running around trying everything new

But nothing impressed me at all

I never expected it to.

Don't cry for me Argentina  
The truth is I never left you:  
All through my wild days

My mad existence

I kept my promise

Don't keep your distance.

And as for fortune  
and as for fame;  
I never invited them in:  
Though it seemed to the world they were all I desired.  
They are illusions.  
They're not the solutions they promised to be

The answer was here all the time

I love you  
and hope you love me.

Don't cry for me Argentina.

Don't cry for me Argentina  
The truth is I never left you:  
All through my wild days

My mad existence

I kept my promise

Don't keep your distance.

Have I said too much?  
There's nothing more I can think of to say to you  
But all you have to do is look at me to know  
That ev'ry word is true.
