We've been driving all night long  
Just to reach our destination in your town  
We've come five hundred miles  
Everyone's asleep there's not a sound

Ooh, eighteen wheels a-rolling  
Eighteen wheels a-rolling round and round

Please Mister Driver, won't you pull over here  
We're really hungry  
Well, we'll have 14 steak and eggs  
14 orange juice and 14 cups of coffee

Let's get back on the bus  
This is one place that I really wanna see

Well, we're 18 Miles from Memphis  
18 Miles from Memphis  
Yeah, 18 Miles from Memphis  
18 Miles from Memphis

Got a rocket in my pocket and I hit the fuse  
Taking off in your direction, have you heard the news?  
We're just 18 Miles from Memphis  
And we won't leave 'til I rocked you all

Alabama, Mississippi, Florida  
Louisiana, big 'ol Texas  
From New England down to Georgia  
Kansas City, Colorado, Californy

Well, it's the last night of our tour  
We're gonna rock you thru the roof, just wait and see

Yeah, we're 18 Miles from Memphis  
18 Miles from Memphis  
Ooh, 18 Miles from Memphis  
18 Miles from Memphis

Yeah, 18 Miles from Memphis  
18 Miles from Memphis

Ooh, 18 Miles from Memphis  
18 Miles from Memphis

Well, we're 18 Miles from Memphis  
And we won't leave 'til we rocked you all
