We've been driving allnight long just to reach our
destination in your

Town

We've been five hundred miles everyones asleep
there's not a sound

Ooh eighteen weels a-rolling, eighteen weels a-rolling
round and round

Please mister driver won't you pull over here we're
really hungry

Well we'll have 14 steak and eggs, 14 orange juice and
14 cups of

Coffee

Let's get back on the bus, this is one place that I really
wanna see

Well we're 18 Miles from Memphis

18 Miles to Memphis

Yeah, 18 Miles to Memphis

18 Miles to Memphis

Got a rocket in my pocket and I hit the fuse

Taking off in your direction have you heard the news

We're just 18 Miles to Memphis and we won't leave 'til I
rocked you all

Alabama, Mississippi, Florida, Louisiana, big 'ol Texas

From New England down to Georgia, Kansas City,

Colorado,

California

Well it's the last night of our tour,

We're gonna rock you thru the roof, just wait and see

Yeah we're 18 Miles from Memphis

18 Miles to Memphis

Ooh, 18 Miles to Memphis

18 Miles to Memphis

Yeah, 18 Miles to Memphis

18 Miles to Memphis

Ooh, 18 Miles to Memphis

18 Miles to Memphis

Well we're 18 Miles to Memphis and we won't leave 'til

we rocked you
All
