LOOK AT THAT CADILLAC ( Brian Setzer )

Oh, wake up in the morning,

Brush my teeth and comb my hair.

Well, wake up in the morning,

Brush my teeth and comb my hair.

Well, there's a big black Cadillac parked in the street  
over there.

Well, it's the finest lookin' car that ever rolled off the  
line.

Any other car, you'd just be wastin' your time.

Well, one fine day I'm gonna make a Cadillac mine.

I gotta get a Cadillac.

Look at that Cadillac, look at that.

Look at that Cadillac, look at that.

Rollin' down the avenue.

I'm gonna get me a Cadillac, too, if it's the last thing I  
do.

Well, I got a job down at the liquor store.

Well, I got a job down at the liquor store.

Whoa, I ain't lazy but I don't wanna work no more.

When I get my pay-check put it rihgt in the bank.

I'm puttin' all my money straight right in the bank.

Well, I'm a half way to gettin' my big black Cadillac  
tank!

I gotta get a Cadillac.

Look at that Cadillac, look at that.

Look at that Cadillac, look at that.

Rollin' down the avenue.

I'm gonna get me a Cadillac, too, if it's the last thing I  
do.

(Solo)

Whoa, sittin' in a bar knockin''em back, up pulls a big  
black Cadillac.

Out steps a kitten, stand back cats, 'way I go in that  
Cadillac!

Look at that,

Look at that Cadillac, look at that.

Look at that Cadillac, look at that.

Rollin' down the avenue.

I'm gonna get me a Cadillac, too, if it's the last thing I  
do.

I gotta get a Cadillac.  
Look at that Cadillac, look at that.  
Look at that Cadillac, look at that.  
Rockin''n Rollin' down the avenue.  
I'm gonna get me a Cadillac, too, if it's the last thing I  
do.
