Well, all of my lovin' all of my kissin'
You don' t know what you' ve been missin' , oh boy.
Oh boy! When you' re with me, oh boy. (Oh boy!)
All the world can see that you were meant for me
All of my life baby I' ve been waitin'
Tonight there' ll be no hesitatin' oh boy
Oh boy! When you' re with me, oh boy (Oh boy!)
All the world can see that you were meant for me.
Well stars appear and shadows are fallin'
You can you hear my heart a-callin'
A little bit of lovin' makes everything right.
I' m a-gonna see my baby tonight
All of my lovin' all of my kissin'
You don' t know what you' ve been a-missin' , oh boy.
Oh boy! When you' re with me, oh boy (Oh boy!).
Well, all the world can see
That you baby, baby, baby, baby were meant for me.

"Giddyup!"

All of my lovin' all of my kissin'
You don' t know what you' ve been missin' oh boy.
Oh boy! When you' re with me, oh boy. Oh boy!
All the world can see that you were meant for me.
All of my life baby I' ve been a-waitin'
Tonight there' s gonna be no hesitating oh boy.
Oh boy! When you' re with me, oh boy. Oh boy!
Well, all the world can see
That you baby, baby, baby, baby were meant for me.
Now stars appear and the shadow are falling.
Can' t you hear my heart a-calling?
A little bit of lovin' makes everything right.
I' m a-gonna see my, my, my, baby, baby, baby.
All of my lovin' all of my kissin'
You don' t know what you' ve been missin' oh boy.
Oh boy! When you' re with me, oh boy. Oh boy!
All the world can see that you were meant for me.
That you were meant for me.
