Teenage rebels rule okay
I'll be damned if I work all day
I think that you look okay
I won't even look your way

Teenage rebels out all night
Teenage rebels drink and fight
Rockabilly rebel don't go to school
Teenage rebel rule rule rule
Hey hey hey hey

Teenage rebels rule okay
I'll be damned if I work all day
I think that you look okay
I won't even look your way

Teenage rebels out all night
Teenage rebels drink and fight
Rockabilly rebel don't go to school
Teenage rebel rule rule rule
Hey hey hey hey

You look like something that the cat dragged in
Yeah well you look something of an assembly line
I think it's high time you pay some rent
I'd rather leave home and live in a tent

The principal says you been cuttin' class
Well you can take that school and shove it up your ass
The music your playin' is way too loud
Oooh, rockin' roll is never too loud

Teenage rebels rule okay
I'll be damned if I work all day
I think that you look okay
I won't even look your way

Teenage rebels out all night
Teenage rebels drink and fight
Rockabilly rebel don't go to school
Teenage rebel rule rule rule

Hey hey hey hey
