Intro

Get kicked out for comin' home at dawn
Mom & Dad curse the day you were born
Throw your clothes into a duffel bag
Shoutin' as you slam the door the whole bit's a drag
But who can I turn to? Where can I stay?
I heard a place that's open all night and all day
There's a place you can go where the cops don't know
You can act real wild - They don't treat you like a child

Runaway Boys

Your hair's all greasy and you feel like a slob
You're nly Fifteen and you can't get a job
Run into the Luncheonette to shoot a few games
Losing all your quarters man it's always the same
Steal a couple o'bucks to buy a new toy
Slip into the alley with the Runaway Boys

Runaway Boys

Runnin' faster, faster all the time
You're underage and...God know's that's a criiime
