Well im just right here
looking at the stars
being with out you
but is all my fault
but i cant see why
and im just right here

Solo instrumental 15 segundos

Thinking Thinking of you
its hard to say that i love you
its hard to say that i miss you
its hard to say that i love you
its hard to say that i miss you
its hard to say to think
how life been with out you

Solo instrumental 15 segundos

Well im just right here
looking at the stars
being with out you
but is all my fault
but i cant see why
and im just right here

Thinking Thinking of you
its hard to say that i love you
its hard to say that i miss you
its hard to say that i love you
its hard to say that i miss you
its hard to say to think
how life been with out you
