I cant forget ya
its makinme mad
cause when i met ya
it make me feel glad
now i know-o-o-o ive been had

Ive got one reason for feeling so sad
i saw you leaving but it didnt add
now i know-o-o-o ive been had

Cause i, i wanted you baby
and it seems to me that im not afraid
oh electrical lover
can you see y wont run away!

O gotta say taht i want you and i ned you
and theres nothing i cant add
except to say that i love you
and i hate you but i feel like ive been had
but still i want you

You were my craving and i was your fad
you look so ggod but i want you bad
even thought-o-o-o ive been had

Cause i, i wanted you baby
and it seems to me that im not afraid
oh electrical lover
can you see y wont run away!

Cause i, i wanted you baby
and it seems to me that im not afraid
oh electrical lover
can you see y wont run away!

I have lost my mind
i have lost my mind

Cause i, i wanted you baby
and it seems to me that im not afraid
oh electrical lover

can you see y wont run away!
