I finally found someone
That knocks me off my feet
I finally found the one
That makes me feel complete
It started over coffee
We started out as friends
It's funny how from simple things
The best things begin
This time it's different
And it's all because of you
It's better then it's ever been
'Cause we can talk it through
My favorite line was
"Can I call you sometime"
It's all you had to say
To take my breath away
This is it, oh, I finally found someone
Someone to share my life
I finally found the one
to be with every night
'Cause whatever I do
It's just got to be you
My life has just begun
I finally found someone
Did I keep you waiting (I didn't mind)
I apologize (baby that's fine)
I would wait forever to just to know you were mine
You know, I love your hair (Are you sure it looks right?)
I love what you wear (Isn't it too tight?)
You're exceptional
I can't wait for the rest of my life
This is it, oh I finally found someone
Someone to share my life
I finally found the one
To be with every night
'Cause whatever I do
It's just got to be you
My life has just begun
I finally found someone
'Cause whatever I do

It's just got to be you
My life has just begun
I finally found someone
