There's no chill and yet I shiver  
there's no flame and yet I burn  
I'm not sure what I'm afraid of  
and yet I'm trembling.

There's no storm yet I hear thunder  
and I'm breathless while I wander  
weak one moment then the next I'm fine

I feel as if I'm falling every time I close my eyes  
and flowing through my body is a river of surprise  
feelings are awakeing I hardly recognize as mine.

What are all these new sensations  
what's the secret they reveal  
I'm not sure I understand but I like the way I feel.

Oh, why is it that every time I close my eyes he's there  
the water shining on his skin, the sunlight in his hair  
and all the while I'm thinking things that I can never  
share with him.

I'm a bundle of confusion, yet it has a strange appeal  
did it all begin with him and the way he makes me feel.  
I like the way he makes me feel.
