Every neighbour is a friend
In my happy wonderland
Closeâ€¦your eyes
and dream with me

On the wings of an angel
My heart in your hand
Hopeâ€¦you'll understand

Every night, every day
All the things that we say
And my dreams're running wild
but I'am not a crazy child...

REFRAIN

WeÂ´re flying to the sun...
100 million miles of fun
thereÂ´s a place for you and me
baby canÂ´t you see
take my hand and youÂ´ll agree

ItÂ´s just a heartbeat awayâ€¦
many things we have to say
take the chance and take my hand
thatÂ´s a trip to wonderland

Face to face and eye to eye
Love will never die
Holdâ€¦me tight and call my name

Every night, every day
All the things that we say
And my dreams're running wild
but I'am not a crazy child...

(Bridge)

Now, the end is near and I cryâ€¦for you
Back to the earth we're feeling blue (hmnhnm)
It was only a dreamâ€¦
and my next trip to wonderland
will not be the same
