Yo, Yo Bleek man what the fuck Nigga

(Sauce Money)
I like to do 20 wild chicks scoping my whip
Do shows across the country get dough for my shit
Lookin' in the face of rappers hopping I quit
Still spit the fly shit to keep them grosing my hits
I like to neva eva let my tounge touch in the sex
Like to excersice one week say fuck it the next
Like to write four whole songs three skits a day
Talk shit with Tyrina, and do hits with J
I like to write for other people keep 'em lovin' a nigga
On the low love the dough between my publish and
bigga
is it wroth a million yet thats what they say now
Long distance California let me call J Brown
Hear the story off of a cappa who was first described
Do one for money Sauce keep thirst alive
like the shit filled with fam when I invent that hit
like to scream Rocafella when and repersent that shit

Chorus Sauce Money

Just, some of things that we like to do
Pretty sure some things you like to do
With a wooden chair a dolo or with your crew
Just, some of things that we like to do
Pretty sure some things you like to do
With a wooden chair a dolo or with your crew
What it is is what is is this is what we do

(Memphis Bleek)
I like to get my hustle on and make loot all day
Spit game at these chicks smoke in the hallway

I like to analyze jigga man the evils is deep
Late night I hit these hoes while their peoples asleep
I like to wake up in the afternoon religuously
I on a vow last night fuck school Imma spend this G
I like to tell fake thugs man they soft as nerves
Like they drink infront of the heat and take off the skirt
Like when chicks try to make it seam to provoke me the

Handle that diplomatic and try to fuck their sister
Like to stay away from hoes I heard caught a dieasease

Everything I spit blaze now us in this week
Now I like to grab my dick and say Bitch I'm Memphis
