Oh yeah, little mother and my sister, too
Oh yeah, ev'rybody
Look what we do fe dem - look pon de tanks we get (2x)
What a angry bull setter do to dem (2x)
Sometime we nuh drink tea just to help our situation
Sometime we nuh drink tea just to to clean up your
pollution
Look pon de tanks we get - look pon de tanks we get,
huh? (2x)
You wan' pull shit a road, now remember it
But the one who clean the shit mus' remember it
Too much overload, ol' house a tumble dung (2x)
Throw me corn around, ol' house a tumble dung (2x)
(repeat)
