The Sexorcist
Check it you fuckin' bitches
Stinky twats

[Necro]
I don't kid man I fuck Nicole right in her pink hole
Then a pickle light up a nickle
Now honeys ready for the meaty stick pole
My cum-shot bombs are two hot blondes
Holding some pom-poms, pork them like won-tons
I fuck you where you make your doodie, start shaking
bootie
While rockin' thongs, spread your crevice
Get prepared for the rubber prongs
I know this bitch that'll suck your dick for three cracks
And her clitoris lips be hanging down to her kneecaps
Your cunge is lunch, I'll plunge into your vaginal
sponge
Whether hip-hop or grunge, I'll even munch on the buns
of nuns
If honeys ass is god, I'ma shoot a massive wad
With the brutal precision, incision, in poodle position
I'm taking these polaroids of this blonde
She's trippin' upon, substitute my peter with a chiquita
Then devour for three hours
My best believe it's washed down south
Of a hot, wet drippin', cunt sqaushed against my mouth
I'd like to give a 16 year old slut
Young buck a tongue fuck
But she might get knocked up
and the cops'll wanna lock my cock up

Chorus x4

[Necro]
One way or another
I'm gonna fuck you
I'm gonna fuck you fuck you fuck you fuck you

[Necro]
Yo you a bitch

Your mouth is equivelent to garbage
Suck my cock like a good little girl and make my knob
twitch
Inside of me, eat my dick like collard greens
You need a job? Work your lips up and down my solid
meat
Open your mouth, I got a visitor
You're wanking me off so damn fast your hand is a blur
Now bob my chunk of godly hunk all over your fucking
face
I'm spitting globs of spunk
Get on your dirty knees, bend over and bob
Till your wet tongue spreads my cock juice all over my
nuts
Suck my dick with devotion
You got a no nonsense deep throat motion
Our bodies creating friction like no lotion
Substitute my dick with a dynamite stick and fuck your
slit
Peep the over explosion
Necro is a demented mack
What's more intense than crack
Your boobs warm against my back
You got no idea how much pleasure I can talk
So let your fingers grasp, or rub my shaft like a snake
Now wank me
After you suck it you could thank me
Frankly I want hanky-panky if you're skanky

Chorus x4

Fuck you!
I'll fuckin' kidnap you!
You bitch!
I'll fuckin' put a fuckin' needle in your arm
You're fuckin dead
You're dead
