[Verse 1:]

In some secluded rendezvous

That overlooks the avenue

He stepped into the streets and walked up to this girl

He had a cap tooth made of gold

He had an earring in his nose

And her looks, that a night he liked to twirl

And he says:

"I love the way you look at me, I love your smile

Why don't you come and talk to me just for a while?

Give me your love, oohhh give me your love

Why don't you come and talk to me, give me your love?

And we can move it like this"

Aaahhhhhh (baby thats a what I like)

Aaahhhhhh (baby thats a what I like)

Aaahhhhhh (baby thats a what I like)

Aaahhhhhh (baby thats a what I like)

[Verse 2:]

And now the hours go by fast

And memories come from the past

As he tells the girl the story of his life

You see a long long time ago

He fell in love, but let her go

And if he had the chance again, she'd be his wife

And he sings to her nightly, he says

"Lydia, oh Lydia, I wish I didn't get ridda ya

Lydia I miss your rose tatoo

There's some things I can't forget

Oh hunny why did I dis ya? (you can learn alot from

Lydia)  
I gotta move it like this"

Aaahhhhhhh (hold me, squeeze me)  
Aaahhhhhhh  
Aaahhhhhhh (hold me, squeeze me)

[Verse 3:]  
Now take a cup and walk away  
To this secret hideaway  
And our lonely man is at a loss for words  
She says "How far do you want to go?"  
He says "How far is to Moreau?"  
And when they make love, this is all that can be heard  
Silence, and then you hear  
Aye aye aye aye aye, make sweet love to me  
Aye aye aye aye aye, give me ecstasy  
Aye aye aye aye aye, make sweet love to me  
Give me all those things i miss  
But start is off with a kiss  
And move a little something like this

Aaahhhhhhh  
And now ya move it like this  
Aaahhhhhhh  
Start it off with a kiss  
Then move a little something like this  
Aaahhhhhhh  
And now ya move it like this  
Aaahhhhhhh  
Start it off with a kiss, and now ya move it like

[Verse 3:]

Life brings you surprises (life brings you surprises)  
Sometimes problems arise, yea (sometimes problems  
arise)  
Life brings you surprises (life brings you surprises)  
Sometimes you don't realize  
Til it's right before your eyes  
And you say (aahhh)  
I love to love you baby (aahhh)  
Can't live without ya baby (aahhhh)  
Your life, it drives me crazy  
If I only get one wish  
Number one on my list  
To move a little something like this

Aaahhhhhh (baby thats a what I like)  
Aaahhhhhh (baby thats a what I like)  
Aaahhhhhh (baby thats a what I like)  
Aaahhhhhh (baby thats a what I like)
