You got me walkin' across the floor
My friends tell me, you don't want me no more
Baby, don't you hear me cryin' for you?
I wish you'd come home to me baby
You know I can't live my life without you

Don't you hear my cryin',
Wahoo, wahoo, wahoo, wahoo, wahoo, wahoo, wahoo,
wahoo

My shoes, makin' holes in my tracks
My clothes, are fallin' offa my back
Baby, don't you hear my cryin' for you?
I wish you'd come home to me baby
I can't live my life without you

Don't ya hear my cryin'
Wahoo, wahoo, wahoo, wahoo, wahoo, wahoo, wahoo,
wahoo

My shoes, makin' holes in my tracks
My clothes, fallin' off a my back
Baby, don't you hear me cryin' for you?
I wish you'd come home to me baby
I can't live my life without you

Don't you hear me cryin'
Wahoo, wahoo, wahoo, wahoo, wahoo, wahoo, wahoo,
wahoo
