I got four days to love my baby, three days to leave
yours alone

I got four days to love my baby, three days to leave
yours alone

That's why I say nothin', hear nothin', see nothin', I
don't know nothin'

I got four days to love my baby and three days to leave
yours alone

I says on Monday mornin' she brings my breakfast to
my bed

Tuesday, she rubs my achin' head

Wednesday, she squeeze me with all her might

Thursday, she makes ev'rything all right

That's why I say nothin', hear nothin', see nothin', I
don't know nothin'

I got four days to love my baby and three days to leave
yours alone

I says on Fridays, she brings me all her pay

Saturday, we go out to play

Sunday, we go to church

Be around when I need a break

That's why I got four days to love my baby

I got three days, to leave yours alone

I got four days to love my baby

I got three days, to leave yours alone

She make me shout, oh shout!

In the mornin', she makes me shout!

In the evenin', she makes me shout!

Ev'ryday now, she makes me shout!

Woo! Woo! Woo! Woo!

Shout, I wanna shout

My baby, she makes me shout

My baby, she makes me shout

Ev'ryday now, she makes me shout

My baby, she makes me shout
Woo! Woo! Woo! Woo!

Shout! gonna shout
Shout! gonna shout
Ev'ryday now, I come in
I gotta have my baby
I'm gonna shout
Woo! Woo! Woo! Woo!
Fading:
Woo, woo, woo, woo
