Runaway
Runaway

Wait a-wait and see
Well I've been waiting my whole life baby
For what's coming to me

Darlin' can't you see
That if you want my love then claim it
Or else let me be

[CHORUS]
I need you too much
[Background Singer:] (baby)
I was no match for you
So I gotta run run
(Runaway)
Can't take another lonely day
(Runaway)
Can't make it any other way
(Runaway)
You don't want me anymore
(Runaway)
Watch me walk right out the door

Hold on you said and you knew I would
You only talk like that you knew you could
Turn me all around can't tell up from down
You hide your heart from me never to be found

[CHORUS]
I need you too much
[Background Singer:] (baby)
I was no match for you
So I gotta run run
(Runaway)
Can't take another lonely day
(Runaway)
Can't make it any other way
(Runaway)
You don't want me anymore

(Runaway)
Watch me walk right out the door

(Runaway)
Can't take another lonely day

(Runaway)
Can't make it any other way

(Runaway)
You don't want me anymore

(Runaway)
Watch me walk right out the door
