Let's remember the days of romance
In the hour of our doom
Let's kick up our feet and relax
Cause we we don't love anymore
Isn't it funny how times change
But we we still stay the same

You go your way
I'll go my way
And we we can't stand the pain
The pain
The pain

Take a good look at yourself
And see how you lost control
You can't even see two feet in front of you
And you don't laugh anymore
Isn't it funny how times change?
But we we still stay the same

You go your way
And I'll go my way
And we we can't stand the pain
The pain
The pain
