[S E X dot sex]

You tell me it be long night
You tell me to just hold it tight
And as I sit here now
I think 'Oh why?'
I know that it's done before
But even then it's still somewhere else
And I don't think if I knew that it'd be you
That we'd be here right sitting like this

But as the night delves deeper
Heat ensues in your mind: body
And you tell me
That you take me
To a place that you say is often
Visited by those like me

[Chorus]
S E X dot sex
A place that I knew would miss
S E X dot sex
Is a place that you scream out
And I say "Let's go"
"Round 1 - Round 2 - Round 3 - Round 4 and if we're
lucky we'll make it to Round 5"
And scream out names all night
I say "More. More. More" to the moonlight
You say "Ah. Ah. Ah" in the same night
Cli-max reaches. All right

Let's go now
Second round.

Come on and feel digits entwine
And let me say that you're all mine
Just for this one night
Tell no one that we sight
Keep it just between us
O-pen-ly is sacrilegious

So scream "Yes. Yes. Yes"
Come on and I'll test your best
And you say "Oh, all night"
I tell you "Okay and all right"
It's a place that we love to go
Those and others like us; they know
That it's a paradise
A paradox
To go there

[Chorus]

S E X dot sex
A place that I knew would miss
S E X dot sex
Is a place that you scream out
And I say "Let's go"
"Round 1 - Round 2 - Round 3 - Round 4 and if we're
lucky we'll make it to Round 5"
And scream out names all night
I say "More. More. More" to the moonlight
You say "Ah. Ah. Ah" in the same night
Cli-max reaches. All right

Think it's over now?
No. Third round.

[Bridge]

Let your body thrust into darkness
Let your mind feel nothing like this
Take what you get
Don't miss your bet
And we'll see where it takes us
Everything's falling into lust!

I can't help but watch your face
As you reach your state
Third time
That's a sign
And as exhaustion ensues
We know that we won't make it tonight
So much for getting to round five
Maybe on another night
We'll play again and go to

S E X dot sex
A place that I knew we'd miss
S E X dot sex
Is a place that I heard you scream out
And I said "Let's go"
"Round 1 - Round 2 - Round 3 and STOP!
Save Round 5 for another night"

We screamed out names all night
I said "More. More. More" to the moonlight
You said "Ah. Ah. Ah" in the same night
Cli-max reaches. All right

We'll visit again
Bet your sins
And I'll take you to
