Many nights spent in my alone  
Wondering where the truth is shown  
Many things shall pass away  
Many of us gone astray

Astray, I never want it anyway  
I'll pay I'll pay for anything you have to say  
Anything you have to say

When things evolve in my life  
Will you reach minus 4?  
I am crawling for more  
Will you reach minus 4?

Once again I can't pretend  
All the things already read  
Forgiving this dream and all  
Your tears already shed

Astray, I never want it anyway  
I'll pay I'll pay for anything you have to say  
Anything you have to say

When things evolve in my life  
Will you reach minus 4?  
I am crawling for more  
Will you reach minus 4?

Nothing will ever be the same!
