(Verse 1)

another day is gone
and i'm missing you again
just like i knew i would
just sitting in an airport
I'm seeing my life flash
flashing before my eyes
i wouldn't change a thing
even if i could

(Chours)

I'm ready to die with you
I'm ready to die for you
I'm ready to die with you
I'm ready to die for you

(Verse 2)

remeber the memories
that keep crawling inside my skin
the friends and the enemies
that never made sense to me
i'm falling to pieces
i'm seeing my life go by
the sickness of sad goodbyes
that we have to endure

(Chours)

I'm ready to die with you
I'm ready to die for you
I'm ready to die with you
I'm ready to die for you
I'm ready to die with you
I'm ready to die for you
I'm ready to die with you
I'm ready to die for you

I can't see the rain anymore
I can't see the rain anymore
I can't see the rain anymore
I can't see the rain anymore

(Chorus)

I'm ready to die with you

I'm ready to die for you

I'm ready to die with you

I'm ready to die for you

I'm ready to die with you

I'm ready to die for you

I'm ready to die with you

I'm ready to die for you
