Who cut the blades from the colour rainbow  
Who takes the blame when your misunderstood?  
I don't read minds  
I don't can't read minds

Regenerate create what your breathing  
Regenerate your love  
Regenerate create what your breathing

Oh, oh, oh

Regenerate create what your breathing  
Regenerate your love  
Regenerate create what your breathing

Oh, oh, oh

My mind is always wondering on the things that make  
me hurt  
By singing these songs it is a wish that i'll be hurt  
Well I see the others slide  
I see the others slide

Regenerate create what your breathing  
Regenerate your love  
Regenerate create what your breathing

Oh, oh, oh

Regenerate create what your breathing  
Regenerate your love  
Regenerate create what your breathing

Oh, oh, oh  
Oh, oh, oh

Regenerate create what your breathing  
Regenerate your love  
Regenerate create what your breathing

Oh, oh, oh

Regenerate create what your breathing  
Regenerate your love  
Regenerate create what your breathing

Oh, oh, oh
