Aiyo, I woke up in a daze wit da slight headache  
You know tha usual, tha studio getting, red late  
Serious jet lag when I get to bed late  
That why I fuck 'cause I be weak when I get head late

Today I got a session wit Ronnie I mean Veronica  
Met her last year about a week before Hanukkah  
Sounds foolish I mean honey wasn't Jewish  
But she had a lot of dough and she was nice on  
computers

She told me she was born and raised in Bermuda  
And came here just to get a job as a tutor  
I pursued make a long story short screwed her  
She moved and she came back still on tha same track

Same wit same chips ass it was still fat  
And I ain't really think she wuz a freak  
But she did ask a lotta questions 'bout Stylez and Sheik  
She called me and said she was in town fo a week

The Westside, Manhattan, the Suite and tha Marquise  
How I felt about gettin' up fo old times sake  
I'ma bring Stylez and Sheik wit me datta be great  
Jus have two friendz we gon bring da truck and tha new  
Benz

Desert in da stashin' da Sony cam zoom lens  
All have ourselves one big hell of a weekend  
Eat at Puff?'s joint an catch a show at tha beacon  
Twist a dutch blaze from Y O to the Hudson

Pass tha tall one 2 5 we still puffin'  
We got tha heat on a cold night 'n' da winter  
Stylez you remember, Sheik you remember

Oh yeah, I remember dem hoe's dat night  
We wuz at da beacon right, Chris Tucker performing  
All of us wuz in der outside it wuz stormin'  
Cats and Dogs, aiyo dese hoe's wuz tough

Besides tha air condition on high we wuz icy enough

From my neck to da belt buckle to our shoes shall I go  
on  
Wit 5 of us up front he needed shades to perform  
Mose from tha flo up we inside toe up, I drink, dey  
smoke, no coke

Besides tha shit he said on stage tha cash we had on  
us wuz no joke  
I slid fo seats down she sittin' der smilin'  
Lookin' like she from an island not them chicks dat be  
out wilin'  
Told me dat her name wuz Cindy

Favorite show Mark and Mindy  
Favorite color green no kids but plan to have plenty  
We chit den chat 'bout dis 'n' dat  
From what kind of whip she push to what bar she be at

She played hard to get  
But we made it from tha movie to tha jacuzzi  
From tha jacuzzi to the bed  
We fucked until we both got woozy

Woke up breath stinkin', yawnin' and shit  
I smelt breakfast in tha kitchen but where wuz da bitch  
I walked in der it wuz cheese eggs and grits on da  
table  
Wit beef sausages and orange juice next to da cable

Wit a note sayin' sorry I had to rob you baby but  
I need cash like you I ain't your ordinary slut  
Or dick teaser please I need food in my freezer  
And by the time you read dis note I done been spent yo  
Visa

I remember Beatrice but niggas like me call her B  
'Cause she like to fuck doggy style plus hold da D  
But now I got to handle dis 'cause dey skandalous  
Cindy robbed Shiek and moved to Los Angeles

Like I won't kill a friend  
Went to bounce stole a Benz, note in tha garage  
Tu y'all ontaraj  
Y'all 3 rugged niggas but y'all gotta get robbed  
Don't take it personal we didn't finish the job, manaje  
Twa

We kill niggas wit dey dick hard, they got me lookin?at  
da letta stuff  
Why da fuck dey left da truc, 3 bitches in my house  
Probably try to wet me up, crept to tha kitchen

Seen Ronnie by the cabanet  
Tried tha gun holster with tha forty fo maganet

Shot her in da heart  
Den caught tha earchess fabanet  
Den I seen Cindy, tha bitch tried to end me  
Running out da living room, bustin' off Kissimee

The bitch couldn't aim, so I blew her out da frame  
Turned around to Beatrice, why you look speechless  
We could have lived it up and jus fucked on tha  
beaches  
And now you gotta die and da stupid bitch is reaching

B?fo I cocked it back, I heard tires screeching  
Saw Sheik and James started muthafucking squeezin'
