Zero 2 hero

I see u most days
Walking around with him
What has he got that I lack
I would do n e thin 2 get u back

I cant see why hes such a hero
Why the hell does he make me feel like such a zero?
All I want 2 do is hold u
And be lying next 2 u

He thinks hes so tough
And somehow u think thats enough
He treats u like shit
He doesnt love u not even a bit

I cant see why hes such a hero
Why the hell does he make me feel like such a zero?
All I want 2 do is hold u
And be lying next 2 u

Guitar solo

I cant see why hes such a hero
Why the hell does he make me feel like such a zero?
All I want 2 do is hold u
And be lying next 2 u

I can be ur hero
not just another zero
I can be ur hero
not just another zero
I can be ur hero
not just another zero
