And now I'm falling in too deep
Love has knocked me off my feet
Time moves on and I hold my dreams

Moving all your seasons days and sundowns
Moving on and out your time drowns

Now I've loved, I've lived, I've seen
So many things I wish I could be
Like old days but my future sings

Moving all your seasons days and sundowns
Moving on and out your time drowns

(Time is a cruel thief to rob us of our former selves. We
lose as much to life as we do to death. Elizabeth
