"Years For Goodbye"

You brought me down today, with every
word you say, and now my life seems colder
And I, I thought that you were mine, you'd be
the one that I... Now I guess I'm wiser

Bring me out of this same old city, I knew
things wouldn't turn out pretty
bring me a love that's truly the one that won't
fall apart (Repeat)

You brought me down today, with every
word you say, and now my life seems colder
And I, I thought that you were mine, you'd be
the one that I...
Now I guess I'm wiser

Bring me out of this same old city, I knew
things wouldn't turn out pretty,
bring me a love that's truly the one that won't
fall apart (Repeat)

What can we say it's not meant to be, it's time
for a brand new start, and I've made mistakes
I hope you forgave, so we can move on
apart...(so this won't end so bitterly)
