Watered down emotions. Don't cater well to the  
dissident heart.  
And staring glances. Only make a heart wander.  
I think I'll throw these emotions to the wind.  
And let them scatter, just let them scatter.

The good guy never wins.  
Don't you see it's not me in your arms.  
So don't try and tell me differently.  
I'm not impartial to a sacrificed romance.  
Based on feeling blowing in the breeze.

I'll reject the moon and the night altogether.  
Listen to the music, just try to understand the  
afternoon.  
Maybe I'll just sit here for forever until I die.  
And maybe the night will never come.

The good guy never wins.  
Don't you see it's not me in your arms.  
So don't try and tell me differently.  
I'm not impartial to a sacrificed romance.  
Based on feeling blowing in the breeze.
