Who have eyes to see, let them see  
Who have ears to hear, let them hear  
Who have eyes to see, don't know what tomorrow may  
be

It's said and done, it's all over now  
It's said and done, it's all over now  
It's said and done, so tell me what you said me say

Stand up, man, and call for your rights  
Stand up, man, for no arms getting tied  
Stand up, man, stand up and fight for your rights

It will be gnashing of teeth, you will be down in the first  
round  
Moaning all around, you will be down in the first round  
Stand up, man, stand up and fight for your rights

Where are you bound? You must have a bed  
Where are you bound? And look, you cannot go on  
Stand up, man, stand up and fight for your rights

Whoa, fight for your rights  
Whoa, fight for your rights  
Whoa, fight for your rights
