am chillin' in my bedroom
Paintin' pictures in the sky
I wanna tell you that I love you
but you make words so hard to find

You take my breath away
You take my breath away

I am starin' out the window
Paintin' pictures in the night
& I have never felt so naked
as when your lookin' in my eyes

And if I die
Here tonight
You'll know why

You take my breath away
You take my breath away
There's nothin' left to say
You take my breath away

I'll take it slow
Cuz' I know for sure
That we were meant to be
And baby it hurts
Cuz' I want you so bad
Just open your eyes and see x 2

You take my breath away
You take my breath away
There's nothin' left to say
You stole my heart away
