One of these nights you're gonna come stumblin' home  
Yeah, one of these nights you're gonna find yourself all  
alone

You may be thinkin' I'm a makin' threats  
It's all just talk cause you ain't seen it yet  
But, one of these nights baby I'll be gone.

You'll cry "Baby, come back baby."  
One of these lonely nights.

One of these nights, you're gonna cross the line  
Yeah, one of these nights I'm a gonna change my mind  
Wipe these teardrops from my face,  
Slip on a dress I ain't worn in ages  
One of these nights I'm gonna leave ya behind

You'll cry "Baby, come back baby."  
One of these lonely nights.  
You may be thinkin' I'm a makin' threats  
It's all just talk cause you ain't seen it yet  
But, one of these nights I'm gonna leave ya behind.

You'll cry "Baby, come back baby."  
One of these lonely nights.  
One of these lonely nights  
Lonely nights  
Lonely nights  
Lonely nights  
Lonely nights
