[ CHORUS ]

Oh you funky bitch, why don't you come on, come on  
And put your lips on my dick, it ain't nothin' wrong

[ Rob Quest ]

I got a mad fly girl who's truly legit  
But it's just one thing, money, she won't suck dick  
She gets intimidated, says it makes her feel weak  
But it's somethin' about them Gary Coleman cheeks  
So I'm comin' to you, gal, since I'm a man and all that  
Every time I ask for neck work I get the lip smack  
So ah... should I eat her cat?  
Nah... or should I throw that hoe back?  
Yeah, word to life, I'm sick and tired of playin' school  
girl games  
They ( ? ) like it's nasty, actin' all ashamed  
Instead just put it up to your lips and just try it  
You never know, honey dip, you might like it  
Instead of frownin' and hiss'n and hesitat'n  
With all of that waitin' I'ma end up masturbatin'  
So just squash that scenario from yo' mind  
In our relationship it's about that time  
And I won't call you a tramp or a hoe slut bitch  
So put your lips on my diggedy-diggedy-diggedy-  
diggedy-dick

[ CHORUS ]

[ Devin ]

You say you never did it before, hey yo, just sit back  
and chill  
Put on some lipstick and hoe, go brush your teeth if you  
will  
Your mouth might get dry, so I suggest you get some  
water  
You can be takin' off my drawers as I cue the tape  
recorder  
Move gently with your tongue with a vertical glide  
Lick the head, the neck and the nuts, bitch, on both  
sides  
Oh, I'm bout to nut, so hoe, get ready to slurp

Did you catch it? (Mh-hm) Okay, now swallow and burp  
Don't leave a purp or a slob on my nuts, what the fuck?  
Go get some soap and a rag, bitch, and clean the shit  
up  
And when you're finished wipin my dick off  
Turn to channel 20, it's the Oilers, I don't wanna miss  
the kick-off  
And bitch, go wipe your face, your lips look like a  
glazed donut  
But at half time I wanna bust bout four nuts  
You don't have to worry cause I nut kinda quick  
And I'll keep pushin and gushin as long as you keep  
puttin your lips on my  
Dick

[ female rapper ]

Now put my lips on your dick? Get serious  
Why don't you hoes rub your nose on my clitoris?  
My pussy's kinda hairy and my pussy's kinda loose  
So go and get a straw, so you can suck my pussy juice  
Let me tell you big black, I ain't to be tramped on  
Make you eat my pussy, then I put back in my tampons  
You muthafuckas know I'm on a head-kinda trip  
You gotta have fun ( ? ) before you get my lips  
Once your ass pay, then the dick's in my face  
I take it real deep throat like ( ? )  
Don't say shit, just pull it out quick  
Let me lick, lick, lick on your big fat dick  
If you wanna make me nut, stick your finger in my butt  
You can call me dirty south, I lick your dick AND yo nuts  
But I gotta get paid, so how much do I get?  
(Well here's a dollar, bitch, and thanks for puttin your  
lips on my dick)
