Forgive me I've been rude  
I must of lost myself  
Over there in your stare  
What is it that makes you  
Hurt, breath, learn, dream?

Cuz I wanna know...

(Chorus)

I'm at the end of my rope  
And I can only hope that your  
Just as lost as me  
I'm not sober but  
This aint over cuz  
I wanna know  
Don't you wanna know too?

Forgive me but I know that your  
Counting the time  
As the day slips away  
Why don't you say that line?  
Say it loud so I can hear  
Is that the sound that makes  
Me for get my fears  
I'm not asking for years but

(Chorus)

I'm at the end of my rope  
And I can only hope that your  
Just as lost as me  
I'm not sober but  
This aint over cuz  
I wanna know  
Don't you wanna know too?

Forgive me now  
I've been lost and found  
So many times  
So much that I  
Don't know what to think  
Yeah I think, I think we should

(Chorus)  
I'm at the end of my rope  
And I can only hope that your  
Just as lost as me  
I'm not sober but  
This aint over cuz  
I wanna know  
Don't you wanna know too?
