I didn't mean for it to start like that  
A hundred days had passed where it was all I had  
I learn and you learned  
And I felt that you felt  
Your silence is killing me  
Killing me say anything

(Chorus)

These simple things are lies  
Cuz I try, and I tried  
When the seasons change  
It's ohh, it's okay  
Cuz when the leaves turn grey  
I tried and I tried,  
And that's the reason why  
It's ohh, it's okay

Are you gonna leave it up to me  
To remember everything?  
No pictures, only a ticket stub  
And this song to sing

Cuz I know that you know  
And I felt that you felt  
Your silence is killing me  
Killing me say anything

(Chorus)

I'm at the end of my rope  
And I can only hope that your  
Just as lost as me  
I'm not sober but  
This aint over cuz  
I wanna know  
Don't you wanna know too?

Back up! there's no reason  
For this to fall apart  
I'll be right here waiting  
Wondering where you are again

(Chorus)

I'm at the end of my rope  
And I can only hope that your  
Just as lost as me  
I'm not sober but  
This aint over cuz  
I wanna know  
Don't you wanna know too?

Cuz I tried and I tried  
It's ohh, it's okay

Did it mean something to you?  
Did it mean something to you?  
Did it mean something to you?  
It's ohh, it's okay  
Did it mean something to you?  
Did it mean something to you?  
Did it mean something to you?  
It's ohh, it's okay
