

## The Magnetic Fields "A Chicken With Its Head Cut Off"

Visit "[A Chicken With Its Head Cut Off](#)" on MotoLyrics.com

Eligible, not too stupid  
Intelligible, and cute as Cupid  
Knowledgeable, but not always right  
Salvageable, and free for the night

Well my heart's runnin' round  
Like a chicken with its head cut off  
All around the barn yard  
Fallin' in and out of love  
Poor thing's blind as a bat  
Gettin' up, fallin' down, gettin' up  
Who'd fall in love  
With a chicken with its head cut off?

Woah Nelly

My wife doesn't understand me  
Many dozens, hope to land me  
I'm for free love  
And I'm in free fall  
This could be love  
Or nothin' at all

But my hearts runnin' round  
Like a chicken with its head cut off  
All around the barn yard  
Fallin' in and out of love  
Poor thing's blind as a bat  
Gettin' up, fallin' down, gettin' up  
Who'd fall in love  
With a chicken with its head cut off?

We don't have to be stars exploding in the night  
Or electric eels under the covers  
We don't have to be  
Anything quite so unreal  
Let's just be lovers, 'cause

Well, my heart's runnin' round  
Like a chicken with it's head cut off  
All around the barn yard  
Fallin' in and out of love

Poor thing's blind as a bat  
Gettin' up, fallin' down, gettin' up  
Who'd fall in love  
With a chicken with its head cut off?

It ain't pretty
