Abigail, can you feel my heart in the palm of your
hand?

And do you understand why I can't stay?

Abigail, an evil wind is blowing through the land

And they need every man to drive it away

When I come home, if I come home

You'll be a grown woman

When I come home, if I come home

Don't be alone, Abigail, Belle of Kilronan

Abigail is gonna be the beauty of County Galway

And she will live always in a world of love

Abigail, I'm off to the war but you can be sure

I will know you're what I'm fighting for

I'm off to the war but you can be sure

I will know you're what I'm fighting for

I'm off to the war but you can be sure

I will know you're what I'm fighting for

When I come home, if I come home

You'll be a grown woman

When I come home, if I come home

Don't be alone, Abigail, Belle of Kilronan
