"Caution, to prevent electric shock do not remove cover

Let this be the epitaph for my heart  
Cupid put too much poison in the dart  
This is the epitaph for my heart  
Because it's gone, gone gone

And life goes on and on and on and death goes on  
World without end  
And you're not my friend  
Who will mourn the passing of my heart

Will its little droppings climb the pop chart  
Who'll take its ashes and  
singing, fling them from the top of the Brill Building  
And life goes on and dawn, and dawn and death goes  
on

World without end  
And you're not my friend
